

## **MASC MINUTES SEPTEMBER 22, 2008**

Meeting held at Bob's Place, ATC Mobile, at 7:00pm.

Welcomed new and old members. Members present were Terra Mankin, Emily Erickson, Charlet Fuller, Crystal Ortegon, Wendy Hatfield, Trish Mingo, Marci Williams, Dawn Howe, Michelle Hillary, Betty Uhl, Rachel Truhlar, and Shelley Kimball.

Letter of "Limited Operating Status" explained. This is a letter from the ATC Command stating that they realize we do not have an "official board" at the present time but we will be anticipating creating the members for the board by the beginning of 2009. If an "official board" has not been created by the end of our 2008-2009 club year, the club will go into a "Limited Operating Status." \* We are thinking very positive thoughts about members stepping forward to fill our board positions – we have a lot of great new faces this year (and some great "old faces" too!)

Membership Update – to date we have 33 membership forms.

Treasurer's report – Our checking account has a balance of \$1692.96 (this is our general membership fund), our savings account has a balance of \$1817.13 (this is our MASC retail shop fund), and our money market account has a balance of \$1796.17 (this is our scholarship fund).

MASC Website – Our website is up and running. Crystal Ortegon and Wendy Hatfield will be overseeing the website. Their contact info can be seen on the MASC website under "committees".

MASC Gift Shop – A committee is being established and anyone is welcomed to come in and work and prepare for the holiday hours.

Up Coming Events – Lots of great ideas were discussed and plans are in the making!
